Subject: Camp Hutchins.

Dear Sirs:

I am unable to attend the Wednesday Nite Meeting (May 19) but would like my opinion heard concerning Camp Hutchins.

My son James Colli attended Camp Hutchins during the summer of 92. He enjoyed the activities & the friendships very much.

There arent many places in Lodi. (except for private care) where your children can go and enjoy themselves unless you the parent are with them.

Camp Hutchins provided a safe and assuring place for my son to enjoy his summer vacation while I worked.

Please do not take this valuable asset from our community. I feel our children would best be ~~served~~ and eventually serve a community that supported them) if Camp Hutchins remained.

Save Camp Hutchins.

Thank you,
Robin L. Sanborn-Colli

Thank you all for your support in continuing the Camp Hutchins program for the next year. Parents will work hard to make Camp Hutchins pay its own way. We greatly appreciate the time, effort, and money it has taken to get the program where it is today. But we could not continue without the cooperation of the City of Lodi. Thanks again.
